

OWTG 001

Our first-ever Out With the Girls event was nothing short of magical. Hosted at the stunning Evangeline, we came together to celebrate Galentine's Day in true OWTG style—bringing together elegance, creativity, and community.

The evening's theme, Fur & Femininity, set the tone for a glamorous and cozy affair. Attendees turned heads with chic fur-inspired looks, elevating the ambiance to match the venue's sophisticated charm.

The night was soundtracked by the incredible Savvv, who curated an unforgettable R&B set that had us swaying, singing along, and fully in the moment. From timeless classics to soulful contemporary hits, the music embodied the essence of connection and celebration.

The stunning floral arrangements by Muscari Floral transformed the space into a dreamy wonderland, perfectly complementing the intimate yet lively energy of the evening. Every petal was a reminder of the beauty and creativity we were there to celebrate.

Captured by the talented Zohair Keswani, the evening's photos tell the story of the joy, laughter, and stylish moments that defined OWTG 001. These snapshots will live on as a testament to the power of women coming together.

At its core, OWTG 001 was a celebration of friendship, creativity, and community—a space where women could connect, inspire, and celebrate each other in an authentic and empowering way. Here's to many more nights like this one. Thank you to our incredible partners—Varenne, Muscari Florals, Savvv, and Evangeline—and to every woman who joined us to make this debut event unforgettable.
